Before each Fall-Winter (September to April) session, your sessional registration status is initially set as "Invited to Register". Fall-Winter session fee billing will begin on July 15, 2019.

You can enroll in courses but your registration status has to be changed to "Registered" by the published registration deadline for your division. Otherwise your sessional registration will be "Financially Cancelled", and your course enrolment will be cancelled.

If you are eligible for a tuition deferral (register without payment), you can apply for a tuition deferral, and the recording of the deferral on ACORN as displayed on the Finances Financial Arrangement panel of the main page, will change your sessional registration status to "Registered" without having to make a payment to register.

Tuition Deferral (register without payment) requests will be approved on basis of:

- **Government Loan**
- **Undergraduate Scholarship/Award**
- **Graduate Scholarship/Award or Graduate Funding or Dept’l or Principal Investigator Research Funding for International Visiting Graduate Students**
- **Third Party Sponsorship**
