1) Normal entry point for these programs is the semester after you have earned 4.0 credits or more; this includes transfer credits.
2) If you entered these programs in Year 3 or 4, this is a late entry point and will result in Program Fees retroactively charged for all courses completed during the second year of study onwards.
3) No matter how many courses you intend to enrol in eventually, all students will INITIALLY be charged a Program Fee.
4) Students who are enrolled in a course load of 2.0 or more credits in each semester will be charged a Program Fee. For fee calculation purposes, the Fall semester course load is determined with the following formula:
   F+Y courses as of September 18.
   The Winter semester course load is determined with the following formula:
   Y courses (as of September 18) and S courses as of January 18.

   4. a) The F course load count determined on September 18 will be fixed for the Fall semester even if F courses are cancelled after September 18.
   4. b) The Y course load determined on September 18 will be fixed for the Fall and Winter semesters even if Y courses are cancelled after September 18.
   4. c) The S course load count determined on January 18 will be fixed for the Winter semester even if S courses are cancelled after January 18.

5) Students who enroll in a course load less than 2.0 credits can request a change to Per-Course fees on eService between July 17 and September 18 (for F & Y courses), and up to January 18 (for S courses). See Note 4.

6) In late September and January, students’ course loads will be reviewed and, if eligible for Per-Course fees, the students' academic fees will be amended retroactively. However the service charges will not be amended.

7) There may be additional ancillary fees levied for enrolment in specific courses or for individual circumstances. Co-op, Teaching and Centennial Joint programs have additional program fees (see Table 4A or 4B or 4C). Check your online invoice.
