Before each Summer (May to August) session, your sessional registration status is initially set as “Invited to Register.” Summer session fee billing will start on April 15, 2019.

You can enroll in courses but your registration status has to change to “Registered” by the published registration deadline of your division. Otherwise, your sessional registration status will be “Financially Cancelled”, and your course enrolment will be cancelled.

**Pay to Register**
You must pay the Minimum Payment to Register Amount displayed on your current session ACORN invoice at least 3-5 business days (for an online payment at a major Canadian financial institution or by WU Global Pay for Students service from outside of Canada) prior to the published registration deadline for your division. Other types of payments can take up to 10 business days to be recorded in ACORN. The recording of your Minimum Payment to Register amount on ACORN will change your sessional registration status to “Registered”.

The Minimum Payment to Register Amount is normally equal to Unpaid Fees from previous session(s) + 50% of Current Summer session Tuition Charges. However, the Minimum Payment to Register Amount for students who are billed on a per course basis and have a Waitlisted course only during the registration period, is equal to Unpaid Fees from previous session(s) + Minimum Charge of $286.00.

**Defer to Register**
If you are eligible for a tuition deferral (register without payment), you need to apply for a tuition deferral, and the recording of the deferral on ACORN, will change your sessional registration status to “Registered”.

Registration offices normally allow a processing time of up to 10 days from the payment date, for payments to be received by the University and recorded in your ACORN Financial Account. **If your payment for registration is made at your financial institution after the deadline date, you must take proof of payment to your College or Faculty Registrar’s Office (undergraduate) or SGS Student Services (graduate students), or Toronto School of Theology College Registrar’s Office to complete your registration.**

See TABLE 2 for Post Registration Period Fee Payment Deadlines.
2. **Summer Session Post-Registration Period Fee Payment & Service Charge Deadlines (TABLE 2):**

You have registered for Summer session by paying the Minimum Required Payment Amount that was displayed on your invoice, or obtaining a tuition deferral (register without payment).

Full payment of the Summer session Tuition and Non-Tuition fees displayed on your current session invoice are due by the deadline listed in Table 2.

**Notes:**

1. See TABLE 1 for Minimum Payment or Defer to Register deadlines.
2. The amount owed is the ACORN Account Balance Up to the end of the Session displayed at the top right-hand corner of your current session (Summer session) invoice. If you have paid an academic or residence deposit for the upcoming Fall-Winter session, the deposit payment is displayed as an unapplied credit to the upcoming session and is not applied to unpaid Summer session fees.
3. The University considers the student to be responsible for all aspects of his/her registration. If someone else is handling fee payment, it is the student's responsibility to advise that person of all rules, requirements, and deadlines.
4. Paper invoices are not routinely mailed. Students are expected to monitor their account on the ACORN at [www.acorn.utoronto.ca](http://www.acorn.utoronto.ca). Non-receipt of an invoice does not exempt the student from meeting his/her financial obligations.
5. Students are responsible for planning sufficient time for payments to reach the University's bank account and to be recorded in the student's ACORN account by the payment and service charge deadlines.
6. Monthly service charge of 1.5% compounded (19.56% per annum) will be billed (recorded) on the student invoice on the 15th of every month until paid in full (exceptions noted below). Fee payments must be made by the end of the previous month to allow 5-10 business days for recording the fee payment in the Student's ACORN account by the monthly service charge billing date.
7. Students registered in Summer Start Programs are billed annual tuition fees in the Summer session. The fee payment schedule is posted on the Student Accounts Fee and Refund schedule webpage.
8. An ACORN financial hold will be automatically recorded on the Student’s ACORN account if full payment for the Summer session fees has not been recorded in the account by August 31st. This will block transcript requests, and registration for the next session will be refused.
