MAKE A DEPOSIT PAYMENT

Deposit payments may be required for newly admitted students who have accepted an admission offer in an academic program and/or students who have accepted a residence offer.

Admission Deposit Payment

If you have received an offer of admissions requiring the payment of a non-refundable deposit by a specified deadline to a place in the program, there are two payment options:

Payment Option 1: ACORN online MasterCard or Visa credit card payment

Log into the Student Information System (ACORN) at acorn.utoronto.ca using your Join ID credentials to make the payment.

- This payment option includes a convenience fee, which is a fee billed by Moneris (credit card service provider), and is NON-REFUNDABLE, even if you decide NOT to study at the University of Toronto.
- The convenience fee, charged at a rate of 1.75% of the fee payment, is billed directly by Moneris, and is not remitted to the University of Toronto.
- For a payment option that does not include the convenience fee, see option 2).

If you do not see the academic deposit requirement on the ACORN dashboard under the Finances section, this means that the payment option is not available to you. Contact your admissions office and they will confirm that your candidacy status and other systems settings have been changed to display the credit card payment service.

Option 2: Bank Draft or Money Order in Canadian funds (not accepted until further notice)

Send a bank draft or money order in Canadian funds payable to the University of Toronto directly to:

Student Accounts
University of Toronto
215 Huron Street, 3rd Floor
Toronto, ON, M5S 1A2

If sending a bank draft or money order, please include a copy of your Confirmation/Deposit form so that the payment will be recorded in your ACORN account.

It is your responsibility to ensure that the deposit payment has been recorded in your ACORN account by the deadline set by your program Admissions Office. It can take 2-3 business days upon receipt of the payment to record the deposit payment in your ACORN account. After your payment has been processed, you will be able to see that your payment has been received in ACORN.

The admissions deposit payment will be applied to the tuition fees on your ACORN invoice.

Residence Deposit Payment Options

After receiving a residence offer via email, follow the instructions to pay the residence deposit by the deadline displayed in your offer to secure your spot in residence.

It can take 2-3 business days upon receipt of the payment to record the deposit payment in your ACORN account. After your payment has been processed, you will be able to see that your payment has been received in ACORN.

The residence deposit payment will be applied to the residence fees on your ACORN invoice.
